Diversity, Equity and Inclusion: This Is A Place For You

We believe in resiliency and the capacity to heal; our mission is to help children and families heal from life's deepest hurts.

We believe everyone has a unique life story, and we will listen and stand with those who have felt hurt or vulnerable.

We believe everyone experiences pain. It is the expression of this pain and discomfort that allows for learning and growth.

We believe people are our most vital asset, and healing occurs within the context of relationships. We will work to build an inclusive community where all people feel they are noticed and belong.

We celebrate people from every color, race, ethnicity, place of origin, religion, age, gender, sexual orientation, gender identity and/or expression, socio-economic status, family structure, and those with differences in ability.

We commit to hiring a workforce and recruiting board members to encourage the representation of all groups and perspectives. The children and families we serve deserve to enter a Place filled with people who reflect their own diversity.

Through consistent professional training and development, we commit to creating an environment where all people can say they are welcomed, respected and safe to be themselves.
